

Mrs. Newman's 2nd Grade Class at PCY
Introduction of Current Teacher, Julie Coleman

My name is Julie Coleman and I want to introduce myself to you and share how special it is for me to teach in Mrs. Newman's classroom. I will be collaborating with the wonderful team of second grade teachers at Paradise Canyon Elementary School. Last summer, I had the privilege of team-teaching 2nd Grade math with Mrs. Newman and I have been a frequent substitute teacher in her classroom.

Personally, I am a graduate of Paradise Canyon and La Canada High School. I am truly honored to teach in the La Canada Unified School District, where I have taught all grade levels. One of my favorite 5th Grade teachers was Carol Bishop, who taught 5th grade at PCY for many years; she inspired me to become the teacher I am today.

Teaching in an elementary school classroom fills my heart with joy. My teaching philosophy is to provide a creative, hands-on learning environment, encourage positive social interactions, and inspire students to strive for excellence.

Communication and dialogue is the key to effective parent, teacher, and student communication. Please contact me with any questions or concerns. I look forward to meeting with each of you in person.

Julie Coleman

Second Grade Teacher (for Mrs. Newman)
Paradise Canyon Elementary School
